

New Corporate Headquarters opened in October 2006

The Company

Founded in 1984, Park House Healthcare Ltd is recognised as one of the leading manufacturers of specialist pressure relieving and pressure reducing equipment in the U.K.

Park House Healthcare Ltd has an extensive product portfolio and the facility to customise products to suit customer needs whilst offering solutions in pressure care, moving and handling, postural and wound management.

Employing over 100 full time staff at our 60,000 sq. ft state of the art Corporate Headquarters in Birkenshaw, West Yorkshire, Park House Healthcare are proud to offer in-house manufacturing, a full product decontamination plant and distribution centres as part of our Customer Service.

24 hour care, 365 days a year dedicated internal personnel manage specific regions and divisions ensuring one on one personal customer service at all times. With distributors in over 25 countries, Park House Healthcare are a truly international company and we place important emphasis on providing high levels of customer care to ensure we exceed customer expectations at all times.

Additional support nationwide is available through our 12 service centres situated strategically around the country.

Park House Healthcare Ltd is a respected member of the British Healthcare Trade Association and has BS EN ISO 9001: 2000 and EN46002 accreditation which is the specific quality standard for Medical Devices. All products are CE marked in accordance with the European Directive 93/42/EEC.

ISO Certificate No: 8019
 CE Certificate No: CA001810
 Master Indemnity Assurance No: IFA2433 0451 CCI

Due to its policy of continued development and improvement, Park House Healthcare Ltd reserves the right to amend any details and specifications without notice.

Accessories & Paediatric Range

Park House
 Healthcare

Duvets & Pillows

Ortho Pillow

- Fibre filled for optimum comfort
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Also available with a cotton cover
- Fire Retardancy: BS 7175

Product Code PL030 | **Dimensions** 71cm x 30.5cm

Permalux Waterproof/Hospital Pillow

- Available in foam or fibre filled to maximise comfort
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces.
- Fire Retardancy: **PL 029:** BS 7175 (Fibre) **PL 029F:** BS 7177 (Foam)

Product Code PL029 (fibre) | **Dimensions** 66cm x 41cm
PL029F (foam)

Permalux A&E Pillow

- Single piece of shaped CMHR foam with two headrest height options ensuring exceptional comfort for a wide range of users
- Securing straps to secure the position of the pillow on the trolley mattress
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Fire Retardancy: BS 7177

Product Code PL094 | **Dimensions** 43cm x 36cm

Memaflex A&E Pillow

- Single piece of shaped visco-elastic foam with two headrest height options ensuring exceptional comfort for a wide range of users
- Securing straps to secure the position of the pillow on the trolley mattress
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Fire Retardancy: BS 7177

Product Code PL114 | **Dimensions** 43cm x 46cm

Permalux Waterproof/Duvet

- Two-way stretch, water resistant, vapour permeable PU cover prevents perspiration and overheating
- The cover is impregnated with "Acti-fresh", to discourage bacterial and fungus growth ensuring the duvet is both hypoallergenic and skin friendly
- Can be easily wiped clean to aid infection control
- Fire Retardancy: BS 7175

Product Code PL023 | Available in 2.5, 4.5, 7.5, 10.5 tog

Cot Bumpers & Extensions

Permalux Foam Cot Bumper

- Securing straps tuck under the mattress to ensure safe use of the cot bumpers
- Provides protective barrier for cot sides to ensure patient safety
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Also available with cotton covers
- Fire Retardancy: BS 7175 (Fibre) - BS 7177 (Foam)
- Test Method: BS 6807 (Cover & Foam filling) Crib 5

Product Code PL092F (foam) large	Dimensions 203cm x 33cm
PL093F (foam) small	132cm x 33cm
PL092 (fibre) large	203cm x 33cm
PL093 (fibre) small	132cm x 33cm

Permalux Economy Foam Cot Bumper

- Provides protective barrier for cot sides to ensure patient safety
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Cost effective option
- Fire Retardancy: BS 7177
- Test Method: BS 6807 (Cover & Foam filling) Crib 5

Product Code PL092BL (large)	Dimensions 203cm x 33cm
PL092BS (small)	132cm x 33cm
PL092BEH (extrahigh)	203cm x 51cm

Permalux Mesh Cot Bumpers

- Designed for use with integral wooden cot sides to provide a protective barrier to ensure patient safety
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces

Product Code PH081 | **Dimensions** 193cm x 25cm x 2.5cm (LxWxH)

Foam Extension Piece

- Designed to cater for the taller patient, extending the mattress to ensure flexibility and enhance comfort
- Bespoke sizes are available and can be made to extend the Memaflex, Permafex and Community Mattress models
- Fire Retardancy: BS 7177
- Test Method: BS 6807 Crib 5 / BSEN 597-1 / BSEN 597-2

Product Code FEP060 (Community)	Dimensions - Sizes Available
FEP100 (Permafex)	from 88cm - 107cm wide
FEP111 (Memaflex)	from 13cm - 20cm deep
FEP112 (Bariatric Memaflex)	107cm x 28cm x 20cm
FEP113 (Bariatric Permafex)	107cm x 28cm x 20cm

Leg Troughs & Wedges

Permalux Leg Trough Sloping

- Supports the full length of the leg ensuring optimum comfort and recovery
- Elevates the heels, allowing them to be suspended over the edge of the trough to deliver maximum pressure relief for the vulnerable heel area
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Fire Retardancy: BS 7177

Product Code	PL032S/8	Dimensions	20cm x 38cm x 20cm
	PL032S		and 12.7cm x 38cm x 20cm

Permalux Foam Leg Trough

- Designed to immobilise and support the leg from the knee to the ankle
- Inspection zip to aid audit inspections
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Fire Retardancy: BS 7177

Product Code	PL032	Dimensions	30.5cm x 23cm x 10cm (LxWxH)
---------------------	-------	-------------------	------------------------------

Permalux Leg Trough Nuffield (cream)

- Immobilises the full leg from thigh to ankle ensuring maximum comfort and support
- Inspection zip to aid audit inspections
- Two-way stretch, water resistant, vapour permeable PU cover facilitates patient movement by reducing shear and friction forces
- Fire Retardancy: BS 7177

Product Code	PL032N	Dimensions	55cm x 29cm x 14cm (LxWxH)
---------------------	--------	-------------------	----------------------------

Foam Wedge

- Provides support under the thighs improving and maintaining posture whilst in the semi-recumbent position
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Fire Retardancy: BS 7177

Product Code	PL089F	Dimensions	58cm x 46cm x 36cm (LxWxH)
---------------------	--------	-------------------	----------------------------

Permafleece

Permafleece Slipper

- Lambswool lined for maximum comfort
- Fire Retardancy: BS 7175

Product Code	SLIP/SM (small)
	SLIP/ME (medium)
	SLIP/LA (large)

Permafleece Boot

- Lambswool lined for maximum comfort
- Fire Retardancy: BS 7175

Product Code	BOOT/SM (small)
	BOOT/ME (medium)
	BOOT/LA (large)

Permafleece Heel Protector

- Lambswool lined heel support designed to maximise comfort and provide protection for the vulnerable heel area
- Fire Retardancy: BS 7175

Product Code	CHEEL
---------------------	-------

Permafleece Elbow Protector

- Lambswool lined elbow support designed to maximise comfort and provide protection for the vulnerable elbow area
- Fire Retardancy: BS 7175

Product Code	CELBOW
---------------------	--------

Permafleece Bootee

- Lambswool lined bootee designed to maximise comfort and provide protection for the vulnerable heel and ankle areas
- Fire Retardancy: BS 7175

Product Code	CBOOT
---------------------	-------

Permalux

Permalux Elbow Protector

- Fibre filled elbow protector to maximise comfort around the vulnerable elbow area
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Fire Retardancy: BS 7175

Product Code PL086

Permalux Bootee / Foot Padding

- Fibre filled bootee to maximise comfort and provide protection for the vulnerable heel and ankle areas
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Fire Retardancy: BS 7175

Product Code PL087

Permasling

- Provides support and comfort for the vulnerable elbow area
- Provides cost effective option for limb support
- Fire Retardancy: BS 7175 (Fibre) - BS 7177 (Foam)

Product Code PL130

Paediatric Range

Permapad Cushion

- Contoured surface area ensures high levels of comfort, support and pressure reduction
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Fire Retardancy: BS 7177

Product Code PL187 | Dimensions 30.5cm x 30.5cm and 36cm x 36cm (bespoke sizes are also available)

Memaflex Cushion

- High density, temperature sensitive visco-elastic foam cushion facilitates pressure reduction by minimising peak pressures
- Two-way stretch, water resistant, vapour permeable PU cover reduces shear and friction forces
- Fire Retardancy: BS 7177

Product Code PL185 | Dimensions 30.5cm x 30.5cm and 36cm x 36cm (bespoke sizes are also available)

Leg Trough / Sloping Leg Trough

- Designed to immobilise and support the leg from the knee to the ankle
- Fire Retardancy: BS 7177

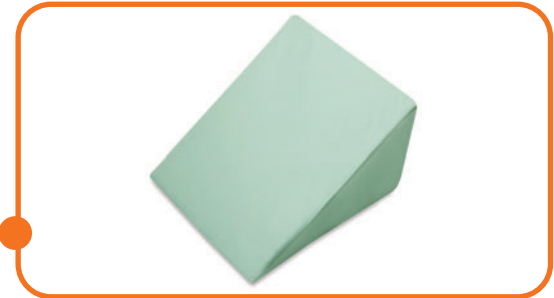

Product Code Leg PL189 | Sloping Leg PL190 | Dimensions 30.5cm x 23cm x 10cm (LxWxH)

Foam Prop up Wedge

- Provides support under the thighs improving and maintaining posture whilst in the semi-recumbent position
- Fire Retardancy: BS 7177

Product Code PL192 (pair) | Dimensions 36cm x 30.5cm x 20cm (LxWxH)

Rounded Foam Knee Wedge

- Provides support under the knees to improve and maintain posture whilst in the semi-recumbent position
- Fire Retardancy: BS 7177

Product Code PL193 (pair) | Dimensions 34cm x 30.5cm x 20cm (LxWxH)

Permalux Bolster

- Fibre filled rounded Bolster is a positioning aid designed to reduce pressure and optimise patient comfort
- Fire Retardancy: BS 7175

Product Code PL195 | Dimensions 46cm x 13cm x 13cm (LxWxH)

Permalux Bootees

- Fibre filled bootee to maximise comfort and provide protection for the vulnerable heel and ankle areas
- Fire Retardancy: BS 7175

Product Code PL182 (pair)

*Active and Static Mattresses are also available in paediatric sizes
